

Village Nursery School

The Village Nursery School is a non-profit, non-denominational preschool dedicated to the education of the whole child.

Founded in 1953, VNS provides a rich classroom environment, focusing on promoting intellectual, creative, physical, social, and emotional growth. The school follows a developmental model of education in order to foster and support each child's unique learning style in a nurturing, child-centered environment.

In addition to the normal program, VNS offers families:

Before School Care • After School Care • Nature Trails
After School Enrichment Programs • Pre-K Creative Connections
Active Parent Association • School and Family Special Events
